

Blyth Valley Wood Turning & Wood Craft Association

WOOD CRAFT CLUB

We are a friendly hands on club whose aim is to promote all woodcrafts.
We gather on the third Thursday of each month between 7pm – 9pm at Seaton Sluice
Community Centre,
Albert Road, Seaton Sluice, NE26 4QX.

Club nights cater for all abilities from novice to experienced.

We share skills, knowledge and experience in a relaxed environment.

Each club night there will be demonstrations of woodturning, woodcarving, scroll saw and
pyrography.

Members can watch, ask questions and have a go at the different crafts.

There is a raffle and half time tea break which provides time for a bit of banter!

New members always welcome at monthly meeting or for more information contact;
